### **DOCTOR JOHN'S MAGIC HAIRLOSS-STOPPING FORMULA**

- Shake well, dispense dosing on label (one or two pumps).
  - Apply to a clean, dry scalp.
  - Apply only enough to wet the dry scalp in affected areas.
  - Allow to sit for five minutes, then wash out with regular shampoo.
  - Apply every day for the first month, then three to four times per week thereafter. The bottle should last one to two months.
- 
- **Note:** This formula is not a shampoo.
- 
- **Note:** If you use hair-gel, the formula cannot get to the dry scalp through same. In that case, please contact us for...
